CHAIRMAN'S REPORT

Dear Club Members,

It is with much pride and pleasure that I present my sixth Annual Report as Chairman of the Cabarita Beach Bowls & Sports Club. My thanks are extended to all the Board Directors, the General Manager Nick Brabham and the staff of the club for the highly professional support they provided me over the last twelve months.

Throughout 2014/15 financial year, we have continued to hear of NSW clubs going into the hands of the receivers or clubs forced into amalgamation. These situations have been brought about by decreasing incomes and increased expenses. As a club, we need to continually build on our strengths, identify our weaknesses and make the appropriate changes that will place us in a better position to move the club forward in an ever increasing competitive environment in our local community.

Our club experienced a significant increase in our Operating Profit for the 2014/2015 financial year. In the 2013/2014 financial year, we had an operating profit of \$292,293 and this increased by 47% to \$430,848 this financial year. This outstanding result was mainly achieved by a 7% decrease in our overall expenses. It is important to note that our income decreased by 4.5% with poker machine revenue falling by 5.3%. Bar revenue increased by 2.3%.

Throughout the last financial year, the Board has focused our attention on developing a 5-10 year plan that will provide additional revenue sources. In the last 12 months we have explored a number of opportunities at the club and in the local community but unfortunately, to date, none have brought us much joy. The Board will need to continue these investigations in the coming years.

An important part in our strategies to attract new members to our club and cater for our current members is the provision of attractive, comfortable and safe facilities. In the last financial year, we have renovated the Men's Toilet at the western end of the club, provided additional shades and concrete paths around the greens and finished the upgrade of the TAB facilities. It has been pleasing to see and note the positive responses from our members who regularly use these facilities.

As I mentioned in my report last year, the Board and the Men's and Women's Bowling Clubs engaged James Laverty as our Bowls Coordinator. James provided many of our bowling community with skills for improving their bowls and I am sure these improvements will show up in the coming Pennant seasons. As well, James provided leadership in the use of technology in various aspects of promoting the game and assisted the clubs in providing a more professional approach with the bowling members. We thank James for the contributions he

made at our club and wish him all the best as he continues to develop his coaching and administrative credentials.

Volunteers continue to play a financial and operational role within the club. I would like to take this opportunity to thank the following groups who have made significant contributions of their time and effort in ensuring our club continues to meet the needs of our members and helps us remain a viable entity:

- The Management Committees of our various Sub-Clubs including Men's & Women's Bowling, golf, fishing, indoor bowls and cricket.
- The men who complete maintenance activities on greens and the surrounds.
- Members associated with organizing bowling activities with other visiting clubs.
- Other voluntary services around the club.

The Cabarita Beach Bowls & Sports Club continues to be 'a hub' of community activities. We have financially supported the Cabarita Youth Service with our Club GRANTS funds and have developed a good working relationship with a number of community groups using our facilities. These include Kingfisher group, Dune Care, Art group, Bogangar Public School, Junior Raiders Rugby League and the local Lions Club. The Kingscliff RSL once again assisted us with our annual Anzac Memorial Service at the club.

To all members who have lost loved ones, please accept our deepest sympathy. It is with sadness that we note the passing of our Life Member Mary Shaw earlier in the year.

Finally, my best wishes are extended to you all for the coming festive season.

Yours sincerely,
Ian Crabb
Board Chairman

GENERAL MANAGER'S REPORT

2014/2015 again produced plenty of challenges for the club industry. With an ever increasing number of clubs being forced into administration or amalgamation I am happy to report that your club is in a very stable state.

This state does not come lightly and this year the board and management have had to make some big decisions that have affected each and every one of us. Whilst these decisions are not always popular, they are essential in ensuring our club continues to be viable and attractive to members and visitors alike. I will not always get this right, however member feedback is very important to me. Feel free to call in and say hi, or ring or email with your concerns.

The trading result for 2014/2015 as outlined in the Chairman's report was a vast improvement on the previous year. A large portion of this success is down to our hardworking team. To our operational management, Tony, Rob, Troy, Kristi & Bill, thank you for your commitment to the job and the team. The willingness to rise to the top when the going gets tough is something that I am very grateful for.

Our Administration staff Mary, Nicki & Rhonda, thank you for keeping me in check and being the brains of the operation. Without these 3 my life would very difficult. No task was too much trouble.

Dave, Tony and Bill, thank you for always being there to help. Even though it is not in your job description, it's pleasing to know that there is a sense of pride and support in helping the team get the job done. Even if it is folding napkins!

To the Directors, thank you for your support and trust over the last 12 months. I am looking forward to the next 12 to continue to improve Cabarita Beach Bowls & Sports Club for the members and community.

Again thank you to everyone who has helped make our club a very special place to be.

PRESIDENT'S REPORT

A year has passed since I prepared my last report and I sit here wondering where it's gone as I try to overcome writer's block and put together something worth reading. On reflection the year's highlight was probably our Division 2 pennant team's progression to the State playoffs at Port Macquarie in August last year, where despite missing some players from the team that won at District and Zone level, they performed well against strong opposition.

Unfortunately our pennant performances this year did not match the great results achieved in 2014 when we picked up a Zone and three District flags in our best season since affiliating with NSW. Our Division 2 team once again performed well and came a close second to Ocean Shores who after defeating us in the last game of the season to win the District flag then went on to win the Zone flag. The number of players who nominated to play in pennants this year was down on last year due to a number of factors and we were only able to field four teams compared to the five we nominated for last year. Even though we only had four teams playing there were problems throughout the season in fielding them on occasions and I thank those members who came to our rescue when these instances arose. These problems also placed much pressure on our selection team who must be thanked for coming up with solutions. There is currently a proposal that has been put forward by RNSWBA regarding the format of Division 1 pennants that will probably alter the structure of our District competition next year as sectional play in this division is proposed Zone level and should this occur the top district grade would be Division 2.

Our Christmas party and Presentation night was held on Monday the 8th December last year and the night appeared to be well received by those who attended although numbers were down a little from previous years, possibly due to the increased admission price. Unfortunately an increase was necessary due to the meal being outsourced rather than being prepared by the ladies club as has been the case in previous years and I think this arrangement was much appreciated by the ladies as they were able to relax and enjoy the evening.

On the following Sunday the District presentation day was held at Cudgen and a number of our members were in attendance to receive their winner's prizes. I congratulate them all on their successes last year and I'm sure they would have enjoyed the occasion. In the District championships this year there were many who made it to the finals but there were only three winners and they were in the Senior Singles, Senior Fours and Reserve Triples. The Senior Fours team of Mick Morgan, Ric Maunders, Barry Sheppard and Mark Howarde went on to win the Zone title but unfortunately the competition stops there. Congratulations to our ex-President Mick Morgan who besides being part of the winning fours team also won the District Senior Singles title. There are still a number of club championships to be completed this year but to the winners of those that have been completed, congratulations guys.

A drop-off in the numbers participating in our Saturday social games has been of considerable concern to our committee this year as we rely heavily on the income generated from green fees and raffles on these days. Any decrease also has a detrimental effect on the takings of Club Limited in the form of reduced bar takings, poker machine income etc. In an attempt to lift Saturday participation we introduced "Money Games" and this has proven to be successful on the days these were held. To enable us to continue with these days we have received very

welcome sponsorship from the Board of Club Limited and also our good member John Ritchie and on behalf of all in the Men's Bowling Club I express our gratitude to them for this gesture.

This year has seen the number of committee members reduced to seven which has placed an extra burden on everyone but I thank all our on our committee for their contributions during our term of office and in particular Secretary Rob Watkins and Treasurer Greg Goode.

In conclusion I take this opportunity to offer my thanks to all who provided assistance to our club throughout the year and particularly the following:

Chairman Ian Crabb and his Board of Directors, General Manager Nick and Assistant Manager Mary, our Greenkeeper Dave and staff Tony and Bill, Bowls Co-ordinator James, Estelle Crabb and ladies for catering our events, our umpires and coaches and also our friendly office and bar staff.

And finally, I offer my best wishes to everyone for the coming year and hope it will be a great one for our club.

PRESIDENT'S REPORT

THE TEAM

Treasurer Rhonda Gleeson, Vice President Kate Potter and I stepped into our Executive Positions, for the first time, 12 months ago. We had no prior knowledge of what our roles entailed.

To our thanks and gratitude we were guided and supported by the other members of our Management Committee, all of whom take on their own roles with vigour and confidence. It is this cohesive and diligent team that has enabled our Women's Club to flourish, embracing the changes needed to move forward and ensure the growth of our sport within our club and hopefully the wider bowling community.

MY SINCERE THANKS TO

* Vice President, Kate Potter, for not only fulfilling her own duties, but being my sounding board for new ideas and initiatives, my second pair of eyes, ears and hands, and the keeper of all checklists.

* Secretary, Fay Jones, for your guidance on all official bowling matters, your prompt and efficient secretarial skills, assistance in interpreting NSWB emails, and continuing to smile when I add yet another person to our ever growing contact list.

* Treasurer, Rhonda Gleeson, for taking on this challenging role with efficiency and for your moral support when, at times, matters began to overwhelm me.

* Head of Match, Jan Soan, for her never ending energy and willingness to take on board new challenges, including running all our Visits In events, our tournaments and all special days as well as assisting James Laverty with using technology to score for tournaments. It has been a huge year for Jan. I would also thank her team of helpers who assist her on Tuesday mornings on the raffles, Mat Fees and in the office.

* Head of Pennant and Championship Committee, Joy Lake, and her team, for their work on Selection of Pennant, Cross Border Shield, District Shield and Inter District sides, organizing all Club Championships, and producing our Yearly Calendar of events.

* Head of Social Committee, Estelle Crabb and her helpers, for creating delicious meals for every event we have held at a budget price. Estelle's expertise in this field is extremely valuable. We always receive positive comments from visiting bowlers.

HEAD COACH/BOWLS DIRECTOR JAMES LAVERTY

I need to thank The Board for its initiative in appointing James Laverty as our Head Coach and Bowls Director.

As President I have come to realize what a valuable asset James has been to our Women's Club.

I list below the areas in which James has assisted us in the past 12 months.

1. **Coaching** With the highest level of coaching accreditation James has been available for individual coaching of beginner and experienced bowlers, "bootcamp" group coaching, specific training for Pennant Team players and bowlers using arms. Coaching not only for delivery development, but positional play, team cohesion, reading the head, game tactics and simple sports psychology. On Tuesday Ladies Bowls he watches, gives advice and encouragement to our players, offering individual coaching for those who seek it.
2. **Motivator** Has continued to motivate our members to set higher, but achievable goals for themselves. Devised concrete ways to measure their skills and purposeful practise drills. Motivated and organized a training squad to compete in more competitive events outside our District at Ballina, Lennox Heads and

He has organized their raffle sales on Friday nights and their new shirts. He has sought out more groups of visiting bowlers and streamlined the procedure for booking in Visit Ins.
5. **Coaching for Coaches** James encouraged 2 Lady bowlers to attend the Coaching course to increase our number to 4 Lady coaches. He has conducted a coaching session for all our club coaches to keep them up to date with the latest ideas in coaching.
6. **Management Committee Support** James attends the majority of our Management Meetings bringing relevant information from the Men's Club to our attention, outlining intended training programs for us, bringing his experience and expertise to the organization of tournaments, outlining ways to effectively promote our events to the wider bowling community (including making me aware to update our space on the CBB&SC website) and assisting us in finding a sports clothing manufacturer to design our new club shirts.

Cabarita Beach Social Golf Club

PRESIDENT'S REPORT

Once again the 2014/15 calendar has drawn to a close with 13 games being played throughout the season, including one trip away for two days to Pelican Waters in Queensland.

All games generally have been well patronised and it is pleasing to see our members introducing new players to the Club who have now joined our jolly bunch of Sunday golfers.

The Club annual joint charity day, the 'Surf'N'Turf', between ourselves and our local Cabarita Surf Life Saving Club, once again was very well supported and managed to raise in excess of \$1,000 which, in terms of the day's charter, was donated via the Lions Club to a very deserving or needy Cabarita resident. This brings the total raised over the past three years to in excess of \$3,000. A fantastic effort to all those who participated in this fun family day and, of course, the Caba Social golfers once again hold the "trophy".

As in previous years, our Championship games were played over player-neutral courses, ensuring everyone played on an equal footing. Despite this, Championship results were the closest for many years, with only one or two shots between each Grade winner and the runner-up.

The Club plays its Championships over three grades, which provides an opportunity for players of all standards to be competitive in the Championship rounds.

Our winners for the 2014/15 Championships were -

'A' Grade Winner -	Blaine Riches
'A' Grade Joint Runners-up -	Gavin Gleeson
	- Devon Withers
'B' Grade Winner –	Kurt Hejduk
'B' Grade Runner-up –	David Budge
'C' Grade Winner –	Jermaine Withers
'C' Grade Runner-up –	Bobby Pilling

Joint Scratch Winners – Brett Draman and Gavin Gleeson

Congratulations to all our winners, and a special congratulations to our Club's only Life Member and Elder Statesman, Bobby Pilling, who proves it doesn't matter how old you are, you are never too old to play golf and still be competitive!! Bobby is also our

Cabarita Beach Social Golf Club
PRESIDENT'S REPORT (continued)

“Master Chef” who oversees our BBQ’s following each game, and is invaluable with his skills.

Our Club is also very lucky to have one Junior Member, Nicky Sneesby, who is constantly a winner of a prize in most of our games. Nicky has a great future in front of him if his performance continues to improve and our Golf Club would welcome more Junior members to our ranks. Maybe some of us may have a chance to beat them!!

This year has also seen one of the Club’s very efficient Barmen becoming a golf tragic – Troy Lebby won the well-deserved distinction of Most Improved.

Moving on from our Championship results, I would like to congratulate all our winners in other rounds and also anyone who played throughout the year because, without your support, there would be no Golf Club.

Our Ladies ranks are also stagnant at present, and it would be nice to see more lady golfers join the Club. Maybe with sufficient numbers of lady golfers, there could be a ladies competition.

Before closing, on behalf of our Social Golf Club, I wish to invite anyone of whatever golf skill level to join us on our Sunday bashes. Simply contact the Club and they will refer you to the appropriate Committee person.

As a final note, I would like to thank our outgoing Committee for their efforts throughout the Season and the Cabarita Beach Sports Club for their support to your also very supportive Sub-Club.

PRESIDENT'S REPORT

Well members,

What a great year this has been. Plenty of species weighed in and plenty of stories of the one that got away - a typical BBQ topic at our comp weigh-ins. A couple of new club records set this year as well.

Our membership has grown across all categories, and trips away have been well attended and each time won by new members (beginners luck).

I would like to thank Des and Jan for organising comp BBQs, and other volunteers for our trips away. Thanks also to our members for their efforts on the Friday night raffles. Thanks to Possum and Anne for the paperwork, and to Stuntman for getting his hands dirty each comp. Appreciation to Tweed Tackle and Marine for their support and the nice gift we received at our Xmas party. Lastly, we would like to thank the Club Ltd for their continued support and sponsorship. We are a great club because of this support. Thank you.

PRESIDENT'S REPORT

Another successful year gone by. We have some new member's join, which is great.

We have had two lunches out. Everything ran smoothly thanks to our very capable secretary Treasurer Marlene.

Also had a Christmas Party enjoyed by all.

Thanks to all who help each night making it very easy.

A special thanks to the Club for their help if we have a problem.
