Cabarita Beach Bowls and Sports Club

36th Annual Report

Financial Year 2021/2022

Introduction

Welcome to the 36th Annual Report for Cabarita Beach Bowls and Sports Club. It certainly has been a very busy year and we are proud of the outcomes we have achieved. These included the following:

- Improved financial trading and profitability
- Popular outdoor activations and events
- Refurbishment of the Old Bowls Club
- Introduction of new technologies and equipment
- Development of a Strategic Plan

This financial year we have focused on consolidating our trading and reducing expenses to improve our financial position. The result was a net profit increase for the year of \$200,000, which was great given the previous year's result was significantly impacted by government Covid subsidies. Improvements have come from operational efficiencies, new events and activities and the introduction of new technologies. A new operational platform has been introduced which will serve as a basis for current and future operational efficiency. With the changes in technology and improved financial performance we have created a solid basis for future growth, sustainability, and security. We are excited about our future potential and plans.

It's also been a busy year working on improving our facilities with the upgrade of the Old Bowls Club which is being refurbished as a function centre. We are excited to unveil the finished product. We had hoped to also replace the Club house main roof and commence an interior refurbishment but unfortunately the February floods caused unprecedented local devastation that disrupted the community in so many ways. Apart from the personal toll it took on many people, there was a significant increase in the demand for trades persons and building material prices skyrocketed. For this reason, both the main roof and interior refurbishment have been put off until the current supply issues are resolved.

We look forward to sharing our financial, social and community outcomes in this report and are excited about the future of the Club. Thank you to all our loyal members for their ongoing support and we acknowledge that our staff, member, and community are our most important asset.

Kind Regards CBBSC Team

Vision: Heart of the Cabarita Beach Community

Mission: To welcome our community in an inclusive, friendly environment focusing on sustainability through innovation, diversity, and a positive culture

Values:

- We are Community Focused,
- We Care for our People,
- We act with Honesty and Integrity,
- We are Innovative and Business Orientated and
- We are Sustainable.

Our Pillars of Success

Community Benefit

CBBSC is proud to be a member of the local community. We show our support through financial and in-kind support. This financial year we have contributed the following amounts:

- Tweed Valley Early Childhood Intervention Service \$2,000
- Tweed Youth Service Fit for Life Program \$4,000
- St Vincent de Paul Society NSW Feed the Homeless Program; \$2,000
- Surf for Sanity Mental Health Initiative \$1,500
- Cabarita Social Fishing Club \$2,250
- Cabarita Beach Social Golf Club \$3,750
- Tweed Coast Raiders \$6,900
- Variety Jet Trek \$600
- Kokoda Youth Foundation \$250

As a Bowls Club, a significant portion of our community benefit goes toward funding Bowls operations which is approximately \$150,000 per annum. Overall, the annual combined Community Benefit contribution has been approximately \$175,000 per annum which is substantial for a small club.

With our refurbished Old Bowls Club and improved financial performance we hope to continue to build and expand our community contribution.

General Manager Report

Dear Cabarita Beach Bowls and Sports Club Community

It is with great pleasure that I provide my report for the 36 the Annual Report. This is my first report as CBBSC General Manager, and I am extremely proud of what we have achieved in my first year. With an improved financial position, the highlights for me have included the following:

- Creation of outdoor areas and popular events and activations
- Improvement in the financial sustainability of CBBSC
- Commencement of the Old Bowls Club Refurbishment
- Introduction of new technologies
- Participation in community events
- Development of a new strategic plan
- Engagement with the Cabarita community and members

I have been made to feel welcome from the members, bowlers, suppliers, staff, and wider community. With the introduction of our outdoor events, we have seen a significant increase in visitation from families and the younger members of our community. It's great to have such a diverse and supportive membership and I hope this continues to grow. My main priority has been to build on the previous success of the Club and hopefully you have seen changes that demonstrate my commitment to continual improvement and the success of CBBSC now and into the future.

Like many tourism and hospitality businesses, staffing has been a key issue during the previous year. The pandemic has seen many people decide to change careers and there has been an ongoing shortage of skilled staff. CBBSC has not been immune to these challenges, and we have seen some key staff move on. I would like to take this opportunity to acknowledge the contribution that was made over the years by Robert, Vicki, Arlene, Kelly & Nicki. I wish you all the best in your future endeavours. To the existing and new staff, I would like to say a huge thank you for your support, patience, and commitment to caring for our members and guests. At times it hasn't been easy, but we have always done our best.

I would also like to thank the Board of Directors for their ongoing commitment and support. Often the contribution of this group of individuals is unseen but I can assure you that the board work tirelessly for the benefit of CBBSC and the members. I would also like to take this opportunity to thank our loyal suppliers who are an integral part of our success. Finally, I would like to thank our members and community for your ongoing support and patronage. We feel very grateful to be a part of such a great community.

Best Wishes
Steve Penfold

Chairman of the Board Report

It is with a great deal of pleasure and satisfaction that I present my Annual Report as Chairman of Cabarita Beach Bowls and Sports Club.

Mother Nature has continued to challenge our club. While sometimes not impacting on us directly, she has certainly had a detrimental effect. We all know that the cost-of-living expenses have risen astronomically. Unfortunately, these cost-of-living increases are passed on to our Club. As a result, prices for goods, food, electricity, and wages have all increased. As a flow on effect, we have had to increase our prices across the board.

However, the story for this year, for us at least, is not all doom and gloom.

With Covid restrictions being eased our business has been able to grow steadily. Without the Boards willingness, determination and backing, many of our goals would not have been achieved. Our own finances and insurance money has finally allowed us to renovate and refurbish the "Old Club House".

This has been a massive undertaking. It has been achieved by the support and patience of our tireless and hardworking Green Keepers as well as the understanding and tolerance of our members. As yet unnamed, the "Old Club House" will offer our members and patrons an excellent venue for hosting functions and Special Events.

Another plan for renovations in the future includes the reroofing of the main Club. This will be a huge undertaking. However, we will endeavour to minimise disruption and inconvenience to our members as much as possible.

The outdoor entertainment area is very well supported and proving very popular. Many young families and their friends enjoy the music and ambience in this area when Mother Nature is being kind.

I would also like to acknowledge our loyal and supportive staff members who have assisted and worked hard for the Club during some of these chaotic and often confusing times. You are the backbone of this Club, and your efforts are very much appreciated.

Since the pandemic, many long serving and experienced staff have moved away from the hospitality industry to better themselves in other areas. It is very hard to see these people go. It is extremely difficult to replace them. Experienced staff are hard to come by. So, to our new members of staff, I would like to welcome you wholeheartedly to the Caba Team.

To our volunteers, I cannot thank you enough. We continually have people pitching in whenever something needs doing. You are highly valued, and your time and trouble is much appreciated.

Lastly, I would like to thank the members for your support and understanding over the past year. Not all decisions have pleased everybody during these trying times. We make these decisions with the long-term viability of the club in mind, and we are excited about the future.

I look forward to the challenges that await us just around the corner. These tasks will give us a great opportunity to shape the club for the future and to ensure long-term success.

DIRECTORS' REPORT
(Continued)

The Club is incorporated under the Corporations Act 2001 and is a company limited by guarantee. If the Club is wound up, the constitution states that each member is required to contribute a maximum of \$1 each towards meeting any outstanding obligations of the Club. At 30 June 2022, the total amount that members of the Club are liable to contribute if the Club is wound up is \$6,264 (2021: \$5,328).

Core – Non-Core Property as required under Section 41J of The Registered Clubs Act

The Directors consider the Club's defined premises and all its facilities to be Core Property. The directors do not consider the Club to have Non-Core Property.

Section 41J of the Act defines core property as meaning any real property owned or occupied by the Club that comprises: -

- a) the defined premises of the club, or
- b) any facility provided by the club for use of its members and their guests' or
- c) any other property declared, by resolution passed by most of the members present at a general meeting of the ordinary members of the club, not to be core property of the Club.

Non-core property is defined as meaning any real property owned or occupied by the Club that is not core property.

Significant Changes in State of Affairs

Other than as outlined in these notes and elsewhere in the financial statements, there have been no significant change in the state of affairs of the Club during the year. Members' attention is drawn however, to the impact of the COVID-19 Pandemic and extreme weather and flooding events occurring during the year.

Events After the Reporting Date

Other than as outlined elsewhere in these financial statements, including Note 19 (Events occurring after balance date and going concern) there have been no matters or circumstances that have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Club, the results of those operations or the state of affairs of the Club in future financial years.

Auditor's Independence Declaration

The lead auditor's independence declaration for the year ended 30 June 2022 has been received and can be found on page 5 of the financial report.

This directors' report is signed in accordance with a resolution of the Board of Directors.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2022**

The financial report covers Cabarita Beach Bowls & Sports Club Limited as an individual entity. Cabarita Beach Bowls & Sports Club Limited is a not-for-profit Company limited by guarantee, registered and domiciled in Australia.

The functional and presentation currency of the Club is Australian dollars.

The financial report was authorised for issue by the directors on 27 October 2022.

Comparatives are consistent with prior years, unless otherwise stated.

1. BASIS OF PREPARATION

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures of the Australian Accounting Standards Board (AASB) and the Corporations Act 2001. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2. Summary of Significant Accounting Policies

(a) Revenue

The core principle of ASSB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Club expects to receive in exchange for those goods or services.

Generally, the timing of the payment for the sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Club have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Rendering of services

Revenue from rendering of services comprised from gaming subsidies are recognised at a point of time, which aligns with the timeframe the poker machines are patronised. Revenue from gaming is derived from poker machines and is recognised 'net' of payouts to players.

Commission revenue is recognised at a point in time and is derived from patronising the ATM, Keno and TAB facilities provided.

Revenue from bingo and raffles is derived from ticket sales and is recognised at a point in time when the event is held.

(Continued)

2. Summary of Significant Accounting Policies (Continued)

(a) Revenue (Continued)

Rendering of services (continued)

Revenue from mat fees is recognised at a point in time where the bowling green is used by playing patrons for such purposes. The receipt of fees and playing of bowls usually occurs in the same timeframe.

Sale of goods

Revenue from the sale of goods comprises revenue earned from the provision of food and beverages and is recognised at the point in time, upon the consumer obtaining the good, which is generally at the time of delivery.

Rental income

Rent received from the use of club facilities is recognised over time in accordance with negotiated lease agreements. The periods recognised equate to those of the financial year under review. Those received in advance are deferred and recognised as a liability in the statement of financial position until lease period comes into effect.

Sub companies

Revenue earned through sub-clubs of Club and is a family orientated Club engaged in various activities i.e. Golf Club, Fishing Club, Cricket Club, Carpet Bowls, Men's Bowls Club and Women's Bowls Club. Revenue is recognised at the point in time is used by patrons. The receipt of fees and activity usually occurs in the same timeframe.

Membership subscriptions

Revenue from membership subscriptions is recognised over time as the member consumes the benefit of the membership, which is over the life of the membership. Those received in advance are deferred and recognised as a liability in the statement of financial position until membership is effective.

Interest income

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other income

Donations and bequests are recognised as revenue when received.

Sponsorship revenue is recognised at a point in time when the agreed pledge event or purpose has occurred.

Revenue from promotional rebates is recognised in the period they are earned, per the negotiated contracts.

Other income is recognised when the right to receive the income has been established.

All revenue is stated net of the amount of goods and services tax.

2. Summary of Significant Accounting Policies (Continued)

(b) Inventories

Inventories held for sale are measured at the lower of cost and net realisable value.

Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Freehold land is not depreciated. In the event the carrying amount of an asset is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised in profit and loss.

A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(f) for details of impairment).

Plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant and equipment	5 - 20%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in accounting estimate.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise.

(d) Intangible Assets

Poker Machine Entitlements

Poker machine entitlements are recorded at cost. They are assessed annually for impairment.

2. Summary of Significant Accounting Policies (Continued)

(e) Financial Instruments

Financial instruments are recognised initially on the date that the Club becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Club classifies its financial assets into the following categories, those measured at amortised cost

Financial assets are not reclassified subsequent to their initial recognition unless the Club changes its business model for managing financial assets.

The Club's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis.

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimate of lifetime expected credit losses. The Club has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectible then the gross carrying amount is written off against the associated allowance.

Where the Club renegotiates the terms of the trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting differences to the carrying value is recognised in profit or loss.

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

No provision for the impairment of receivables or other financial assets measured at amortised cost was required in either the current or prior financial year.

2. Summary of Significant Accounting Policies (Continued)

(f) Financial Instruments

Financial liabilities

The Club measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Club comprise trade payables, bank and other loans and lease liabilities.

(g) Impairment of non-financial Assets

At the end of each reporting period the Club determines whether there is evidence of an impairment indicator for non-financial assets.

Where an indicator exists the recoverable amount of the asset is estimated.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

(h) Employee Benefits

Provision is made for the Club's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

Defined contribution schemes

Obligations for contributions to defined contribution superannuation plans are recognised as an employee benefit expense in profit or loss in the periods in which services are provided by employees.

(i) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

2. Summary of Significant Accounting Policies (Continued)

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(k) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(l) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of reporting period.

(m) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the entity during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

2. Summary of Significant Accounting Policies (Continued)

(n) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Club.

Key estimates

Valuation of freehold land and buildings – refer Note 6.

Impairment of property, plant and equipment and intangible assets – refer Note 2 (g).

Impairment of intangible assets

A five (5) year discounted cash flow was prepared in order to assess whether the carrying amount of the Club's intangible assets was impaired. This cash flow took into account the downward trend in poker machine revenue experienced by the Club over the last five (5) years. This assessment indicated that the expected future cash flows exceeded the carrying amount of the Club's intangible assets at 30 June 2022 and therefore no impairment provision is considered necessary at this time.

Long Service Leave Entitlement - assessments are made on the probability of staff taking long service leave and the provisions structured accordingly. Refer Note 10.

Receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

No provision was considered necessary in either the current or prior financial year.

Provision for inventories

The inventory held is reviewed on an annual basis to determine whether there is any old, damaged or obsolete stock or other stock items which need to be written down to net realisable value based on the current economic conditions, sales histories and forecasts performed by the Club.

No provision was considered necessary in either the current or prior financial year.

(o) Economic Dependence

Cabarita Beach Bowls & Sports Club Limited is dependent on the members and patrons for the majority of its revenue used to operate the business. At the date of this report the Board of Directors has no reason to believe the members and patrons will not continue to support Cabarita Beach Bowls & Sports Club Limited.

(p) Comparative Figures

When required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Carrying amount at the end of the year	900,000	3,069,883	1,236,138	208,398	5,414,419

(a) Land

The valuation of land was based on 2017 'notices of valuation' issued by the New South Wales Valuer General. This value is also reflected in the current rates notice. Having considered circumstances which could give rise to a material change in the value in the 2020 financial year, the Board have elected to make no changes.

(b) Buildings

Herron Todd White Brisbane Pty Ltd were engaged to provide a valuation of the Club's building and its improvements for the 2017 financial year. The cost approach methodology was used, an approach recognised by AASB 13 fair value measurement. A depreciated cost estimate, determined on 25 May 2016, was adopted by the Board for the 2017 financial year. Herron Todd White Brisbane Pty Ltd were engaged to provide an updated valuation of the Club's building and improvements in April 2021. This valued these assets at a depreciated replacement cost of \$3,262,400, which is materially consistent with the value at 30 June 2021 of \$3,193,577. As such, the Board have elected to make no changes to the carrying value of these assets at this time.

14. Fair Value Measurements

(a) Fair Value Hierarchy

The Club's assets and liabilities are measured or disclosed at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being:

Level 1	Level 2	Level 3
Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.	Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.	Measurements based on unobservable inputs for the asset or liability.

Property, plant and equipment held at valuation have been valued on the basis of depreciated replacement cost which includes a number of unobservable inputs. As such, these assets are considered to be held at Level 3.

Assets and liabilities held for sale are measured at fair value on a non-recurring basis. There were no transfers between levels during the financial year.

The carrying amounts of trade and other receivables and trade and other payables are assumed to approximate their fair values due to their short-term nature.

15. Entity Details

CABARITA BEACH BOWLS & SPORTS CLUB LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
CABARITA BEACH BOWLS & SPORTS CLUB LIMITED

Opinion

We have audited the financial report of Cabarita Beach Bowls & Sports Club Ltd (the entity), which comprises the statement of financial position as at 30 June 2022, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and the directors' declaration.

The accompanying financial report of Cabarita Beach Bowls & Sports Club Ltd is in accordance with the Corporations Act 2001, including:

- i. giving a true and fair view of the entity's financial position as at 30 June 2022 and of its financial performance for the year then ended; and
- ii. complying with Australian Accounting Standards – Simplified Disclosure Standard and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the entity's annual report for the year ended 30 June 2022 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosure Standard and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the entity audit. We remain solely responsible for our audit opinion.
